

CHARU JAIN

Java Developer | B.Tech Computer Science, LNCT University Bhopal

8602537107 | charujain290605@gmail.com | Bhopal, M.P. | [linkedin.com/in/charu-jain-10b36b277](https://www.linkedin.com/in/charu-jain-10b36b277) | github.com/Charuu-jain

Pre-final year CSE student at LNCT University, Bhopal with a strong foundation in Core Java and backend development. Comfortable working across the full development cycle — from database design to application logic — using Java and the Spring ecosystem. Currently deepening skills in DSA and system design to build more scalable and efficient solutions.

TECHNICAL SKILLS

Core Java	OOP, Collections, HashMap, Generics, Exception Handling, Multithreading, JDBC
Backend	Spring Boot, Spring MVC, Spring Security, Maven, REST APIs
Database	MySQL — schema design, joins, subqueries, CRUD, stored procedures
DSA	Arrays, Strings, Linked Lists, Stacks, Two Pointers, Sliding Window (LeetCode)
Frontend	React, Vite, Tailwind CSS, Framer Motion — portfolio built from scratch
Tools	Git, GitHub, VS Code, IntelliJ IDEA, Apache PDFBox, Apache POI

PROJECTS

CogniLoad — Cognitive Load Estimation System

2024 – 2025

Java · Spring Boot · Spring Security · MySQL · Thymeleaf · Apache PDFBox · Apache POI

- Full-stack Java web app that parses PDFs and DOCX files, stores analysis in a normalised 5-table MySQL schema, and serves a dashboard with heatmaps, summarisation, and quiz generation
- Spring Security with BCrypt password hashing, OTP email verification, and session-based route protection — built independently from scratch

Personal Portfolio Website

2025

React · Vite · Tailwind CSS · Framer Motion · Howler.js · Vercel

- Fully custom portfolio built with React and Vite — features glitch text animation, film strip marquee, floating music player (Espresso — Sabrina Carpenter), star cursor trail, scroll-triggered animations, and editorial collage layout with sticker elements
- Deployed on Vercel with custom domain; all components built from scratch without templates

EDUCATION

B.Tech — Computer Science & Engineering

2023 – 2027

LNCT University, Bhopal · CGPA: 7.99

Class 12 — PCM

2023

Kiddy's Corner Public School · 70.6%

CERTIFICATIONS & ACHIEVEMENTS

Data Structures & Backend with Java — Board Infinity

Data Science for Beginners — Board Infinity

Python Essentials 1 — Cisco

CCNA: Introduction to Networks — Cisco

Foundations of Project Management — Google / Coursera

Bits & Bytes of Computer Networking — Google / Coursera

Smart India Hackathon (SIH) — Waitlisted. Drone & Robotics Software Category, selected among top teams nationally.
